

# 10 REASONS TO LOVE

## MegaFood™

### MEGA IS FRESH

Our FoodState® Concentrates are made with fresh, colorful and raw whole foods, not refined food powders or juices.

### MEGA IS PURE

Tested FREE of Pesticides and Herbicides. Tested FREE of Gluten and Soy. Nothing artificial and NO preservatives.

### MEGA IS ARTISAN

Our fresh farm partners, our customized Refractance Window® Dryer and hand blended batches give us the ability to only craft the finest in whole food supplements.

### MEGA IS POTENT

100% Whole Food Nutrients are readily recognized and utilized by the body - significantly better than vitamins and minerals alone. You can take lower potencies with better results. *Less is more with whole food.*

### MEGA IS DIGESTIBLE

Can be taken on an empty stomach without any upset to a sensitive system. It's food!

### MEGA IS QUALITY

**MegaFood** tests and validates both nutrient potency and ingredient purity.

### MEGA IS UNIQUE

Through our partnerships and production facilities, **MegaFood** is the only whole food supplement company to have control over the integrity of the ingredients from harvest to tablet.

### MEGA IS GREEN

Our commitment to select organic and fresh locally grown foods is just one of many ways we nourish our planet, while we nourish your life.

### MEGA IS GUARANTEED

We stand behind the quality and effectiveness of all of our products. 100% Satisfaction Guaranteed. When you are happy, we are happy.

### MEGA IS FOOD

100% Whole Food Nutrients, not inactive isolates. Only whole food can fully replenish and nourish the body. As nature intended.

Refractance Window® Drying is a registered trademark of MDC technologies, Inc

**FEEL THE LOVE FROM THE INSIDE OUT!**
