

FEELING STRESSED?

Chill out naturally!

We all know how stress can make us feel: irritable, anxious, and just tired. Stress is by far the most common complaint health store employees hear about everyday and is typically the root of other health concerns including poor digestive health, immune function and general malaise.

MegaFood offers a comprehensive selection of all natural and effective anti-stress solutions for your customers.

Balanced B Complex

Available in 30, 60, & 90 tablet size

Supplementation of B vitamins is essential for individuals who have a demanding lifestyle as stress readily depletes the body of these essential nutrients. It is important to recommend a supplement that delivers all the B vitamins in a balanced ratio because they work so closely together in the body. Delivered in FoodState® *Sacchromyces cerevisiae* concentrates, **MegaFood** 100% whole food B vitamins also provide synergistic enzymes and co-factors which catalyze utilization of these essential nutrients by the body.

- 100% Whole Food B Complex Nutrients for Life
- Concentrated potencies to boost energy levels in just one tablet serving
- Supports the health of the nervous system*

Complex C

Available in 30, 60, 90 & 180 tablet size
